

ACADEMIC CALENDAR 2026-27

“A well-planned effort always yields fruitful results”

At **Open Mind World School**, the academic calendar serves as a comprehensive roadmap for the smooth and efficient conduct of the academic year. It outlines key details such as term schedules, examination dates, holidays, general school information, and a range of celebrations and co-curricular activities.

This systematic planning enables teachers, students, and parents to remain well-informed and organized throughout the year. Furthermore, it contributes significantly to students’ holistic growth by encouraging active participation, fostering discipline, and promoting effective time management skills.

April 2026

Goal Setting

- Setting goals will help you to develop good study habits.
- It will help you have a direction and clarity.
- It promotes a sense of control over your life.
- Being punctual would help you save a lot of your time.
- It also gives way to success without doubt.
- By being disciplined and punctual you can set example for others.
